Above: Our students, Hannah Price, Toni Wright and Tom Jones welcomed Ziggy & Charlie from the Rushworth Kinder for a visit. See page 8 for more.

Below: Zac Price helps out Charlie McLean with a colouring activity.
Welcome to the first edition of the P-12 Perspective for Term 3, 2013.

Despite the cold, winter weather being well and truly with us the Term has started with a hive of activity for students and staff. It has been wonderful to see our students taking responsibility for their learning and readily re-engaging with the curriculum and their teachers after a well deserved break. With the colder weather and shorter days, Term 3 is often a tiring and drawn out term. With this in mind we encourage all our students and staff to maintain the momentum around the learning that has occurred so far in 2013. Students are urged to regularly revise and practice what they learn in order to master their learning’s and to be able to apply what they learn in various situations, including everyday activities. Perseverance is a must and a skill we know will serve all our students well if they can practice this in all their endeavours. I encourage our students to be determined and to always put forward your best, our teachers and staff are here to support you every step of the way and just like your parents we look forward to seeing you shine and show us the great things you are capable of.

College Council News

Our first College Council meeting for Term 3 was held earlier this week and was a great opportunity to continue the dialogue around our College improvement journey. College Council are a vital mechanism and support in our continued quest to improve Rushworth P-12 College and how we support our students in their growth as learners and individuals. One of our strongest advocates and encouragers over the last two years has been our College Council President, Mica Rosenberg. Unfortunately due to work commitments and becoming an employee of DEECD Mica has had to relinquish her position as College Council President. On behalf of our College community I would like to thank Mica for her sincere support which has always put the best interests of the College first.

With Mica stepping down from the Presidents role, we now welcome Cass Alexander to the role of College Council President. Cass has served on Council for the last eighteen months as a community representative and brings a wealth of experience, passion, commitment and insight to the role of Council President. On behalf of our community, thank you Cass for stepping up and fulfilling this most important role.

Our most recent meeting on Monday 22nd July saw College Council welcome our invited guest, the Local Member for Rodney, Mr Paul Weller. It was a great opportunity for College Council to engage with a member of parliament around the key issues in education and the key issues that have an impact on our success as a College. Council members engaged in open and constructive dialogue with Paul around issues such as Better Schools: A national plan for school improvement, bus transport policy and issues, and the importance of maintaining funding for later years programs to allow regional and rural schools to offer successful pathways for all students. College Council also support Mr Paul Weller in his efforts to ensure that the electorate of Rodney remains an electorate in the future. The capacity of a College and our community to have a voice in the electorate is essential and if we have to face the prospect of a changing electorate our voice may not be as loud or as well heard.

A Guaranteed and Viable Curriculum

Significant research conduct over the past thirty years has demonstrated that having a guaranteed and viable curriculum in place within a school can support huge improvements in student learning. Key educational research Robert Marzano states that a guaranteed and viable curriculum is “the single most important initiative a school or district can engage in to raise student achievement.” As a result of our knowledge and understanding of these contemporary findings based on thousands of studies, our staff are currently working on the development of a guaranteed and viable curriculum for 2014 and beyond.

So what is a Guaranteed and Viable Curriculum?

At Rushworth P-12 College this concept will ensure that we develop, document and deliver a curriculum that identifies the essential content, knowledge and skills that we want all students to learn. Our identification of these essential learning’s will then enable us to ensure that we are providing all students with adequate time to learn the essential knowledge and skills. Significantly though, our work this semester seeks to ensure that we have a documented curriculum for teachers to deliver to all learners, that this documented curriculum is the curriculum
that will be delivered throughout the College and that all student assessments will be against our documented and
delivered curriculum.
It is our sincere belief that this core work will put teachers in an even better place to support student learning and
to provide meaningful and detailed feedback to parents on their children’s educational, social and emotional
development. Later this year once our work is complete I look forward to sharing the work with our College
community.

**Term 2 Mathletics Awards**

It gives us great pleasure to recognise the Mathletics achievements of our students throughout Term 2.

Congratulations to the following students who have received awards:

**Gold Award**  
Ebony Sacco

**Silver Award**  
Matthew Lange-Richards  
Molly Risstrom

**Bronze Award**  
Matthew Lange-Richards  
Sarah Lange-Richards  
Chevy Talbot  
Luke Weatherhead  
Tamazin Sacco  
Andrew Robinson  
Christian Holmes  
Tait Lee  
Jorge Maxwell  
Melinda Andrews  
Ebony Sacco

Don’t forget that all our students in Years P-10 have access to Mathletics to support them in their mathematical
learning. This is a great resource that can be used 24/7 by students both at home and school. Students can log on

*Kind regards,*

*Brad Moyle, Principal*

---

**PARENT OPINION SURVEY**

Some of our College families have been randomly selected to complete the annual parent opinion survey. This is a chance for
parents to have input into how our school operates and provide suggestions for improvements. All surveys are anonymous and
Rushworth P-12 College does not look at individual responses; we simply receive collated data at a later date.

You may have already received a letter with a survey included in the mail before now. All letters were posted earlier this week so
families should receive them no later than Monday if you were selected. If you receive a survey we would appreciate it if you could
take the time to complete it and return it to the College as per the details provided in the accompanying letter.

**Families who do return** the completed survey before Friday 2 August will go into the draw for an iTunes voucher to the value of $20
as our way of saying thank-you for taking the time to help improve our College. The winner of the voucher will be notified by phone
and be announced in the subsequent newsletter.

We look forward to receiving your surveys.

---

**Parents and students Year 9 –11**

Don’t forget to come along to our Senior School Information Night.

**Wednesday 31st July at 6pm. BER Foyer**

Guest speakers, subject selection expo, finger food

We hope to see you all there!
News from the Assistant Principal’s desk

Promoting good mental health in your child

It seems strange to talk about promoting good mental health in children. We often assume that childhood is a pretty relaxed time of life, free from the pressures and stresses that come hand in hand with adulthood. Unfortunately this is often untrue, and according to research one in seven Australian children experience some type of mental health issue, with ADHD, anxiety and depression being the most common.

Having good mental health doesn’t mean kids don’t experience difficulties or worries. Feeling worried, sad or fearful is normal. Kids who are mentally healthy are better able to handle difficult situations. They don’t let their emotions overwhelm them. As a result they learn better and have more friends as well.

So how can you promote good mental health in your children?

- **Model good mental health habits:** It’s worth remembering that kids learn what they live, so make sure they see good mental health habits first hand.

- **Make sure they get enough sleep:** Children need between 10 and 12 hours of sleep to enable proper growth and development. Teenagers need between 8 and 9 hours of unbroken sleep to be able to learn well at school.

- **Encourage your kids to exercise:** Exercise stimulates the chemicals that improve mood and release the stress that builds up over a day.

- **Encourage creative outlets:** Time to enjoy themselves without the pressure of time is a great way to relax.

- **Provide a space of their own:** Boys will often do their best thinking on their own, so they tend to retreat to their caves (bedroom) when things go wrong at school or in their relationships.

- **Talk about their trouble:** Talking about what’s worrying you is a great way to remove the burden of worry and reduce anxiousness.

- **Help them relax:** Make sure your child has a hobby or activity that relaxes them.

- **Have two routines – weekday and weekend:** Most households are pretty highly scheduled these days. Families need a second, more relaxed weekend routine that helps kids relax and unwind.

- **Foster volunteering and helpfulness:** Helping others reinforces social connectedness and the importance of being part of a community, as well as providing opportunities for positive recognition.

- **Bring fun and playfulness into their lives:** Mucking around, which is code for having fun, is something many children of this generation don’t have time for. If you see your child constantly stressed or overwhelmed change the mood by going to a movie, joining them in a game or seeking other ways to have some fun.

Kathryn Bendall
Acting Assistant Principal, SWEL Leading Teacher
ANDREW FULLER COMING TO KYABRAM……..

As a clinical psychologist, Andrew Fuller works with many schools and communities in Australia and internationally, specialising in the wellbeing of young people and their families. He is a Fellow of the Department of Psychiatry and the Department of Learning and Educational Development at the University of Melbourne.

The Kyabram cybersafety Working Group (which I am part of) have been instrumental in obtaining Andrew’s services to Kyabram on Monday 21st October. The outline of the program is mainly to do with cyber safety, covering the many issues associated with social media. We are looking at hosting a session with Andrew and students in Year 9 from Rushworth P-12 College, Kyabram P-12 College and St. Augustine’s College at the Plaza Theatre in Kyabram. Following the student session, there will be an opportunity for all staff to attend a session at the Plaza Theatre, followed by an evening session for parents and students from 16 years and over.

I encourage all staff, parents and older students to come along and listen, ask questions, and be informed of the issues surrounding social media and find out the implications when things don’t go right.

This is free to the public, supper will be provided. More information closer to the time. Please fill out the attached questionnaire and have back to Rushworth P-12 College by July 31st. The information we gather from the questionnaire will be collated and sent to Andrew Fuller for his information. Andrew will use this information to target what parents most need to know in regards to their child/ren and social media.

If you require further information, please contact me at Rushworth P-12 College.

Leanne James School Nurse Educator

---

Kyabram & District Cybersafety working group

We are a group of like-minded community members who have an interest in educating the community about Cybersafety. This group includes Police, teachers, health professional and youth of the community of Kyabram and surrounding districts.

We have arranged for Andrew Fuller – a clinical Psychologist who works with schools and Communities specialising in the wellbeing of young people and their families.

Andrew will be visiting Kyabram on the 21st October 2013 for an evening session with adults to explore the topic “Do you know what your child is doing online?”

We are seeking feedback on specifically what parents would like to see covered. Please take a minute to complete this survey, so that the presentation is relevant to the needs of our community.

What would you like to know about your child’s / friends social media habits?

Please choose as many as relevant:

- Signs in changes of behaviours
- Effect of sexting
- Effects on Employment Opportunities
- How do you monitor your child online?
- Strategies to help parents
- Who / Where do you go for help?
- How can I be a good role model online?
- Legal effects of bullying
- How to talk to your child about online behaviour.
- Other… please identify __________________________

This survey can also be completed online at http://bit.ly/12lYVvz

Please return to your school by Wednesday 31st July.
New to the College Library........

Captain Underpants and the terrifying return of Tippy Tinkletrousers: the ninth epic novel - Dav Pilkey

Blurb Summary: When we last saw George and Harold, they were headed to jail for the rest of their lives. What could be worse? How about being pulled from prison by a time-traveling tyrant named Tippy Tinkletrousers! Now the boys are taking a trip back in time to the carefree days of kindergarten, when the scariest thing they had to face was not evil mad scientists or alien cafeteria ladies but a sixth-grade bully named Kipper Krupp, the nephew of their clueless school principal. And because George and Harold don’t invent Captain Underpants until they’re in fourth grade, the clever kindergartners are in their own. Will their brains be enough to beat the bully?!?

Near future Library purchase: Captain Underpants and the revolting revenge of the radioactive roboboxers: the tenth epic novel

Zeke Meeks vs the gruesome girls - D.L. Green

Blurb Summary: Girls. How can Zeke Meeks’ life. Not only is he surrounded by girls at home, but now there’s a new girl next door, polluting the neighborhood. Who cares if she’s good at sports and video games? She’s still a girl!

Zeke Meeks vs the horrifying TV-Turnoff Week - D.L. Green

Blurb Summary: What? No TV for a week? Zeke Meeks’ teacher must be crazy: He announced that the entire class is expected to turn off their TVs for an entire week. How will Zeke survive without video games or his favourite shows?

Near future purchases: Zeke Meeks vs Putrid Puppet Pals & Zeke Meeks vs the stinkin science fair

Zeke Meeks “….will lead to laugh-out-loud moments…in the same category as Captain Underpants”

- Kirkus Reviews on Zeke Meeks vs Putrid Puppet Pals

My Sister the Vampire: Vampalicious. Book 4 - Sienna Mercer

(We have book 1, 2, 3 of this series)!!

Blurb Summary: Ivy and Olivia have only been reunited for a few months and already they can’t imagine life without each other. But Ivy’s dad is moving to Europe – taking Ivy with him! Olivia and Ivy need to change his mind, but will the skills of two crafty twins be enough to stop a vampire from spreading his wings? A killer story to sing your teeth into!

More novels of this series will be purchased in the near future :)

Return to Titanic. Stowaways. Book 2 - Steve Brezenoff

(We have book 1 of this series)!!

Blurb Summary: Maya and Tucker didn’t expect to spend their spring break on-board the Titanic - in 1912, but they’re on a mission. They must travel back in time again to save their new friend Liam and his parents, third-class passengers on-board the Titanic. It’s up to Tucker and Maya to alter the course of the ship before it hits the iceberg and change history.
100 Cupboards Series - now available in the College Library

“This is my favourite kind of fantasy, combining the secret and the ordinary, featuring heroes grounded in the everyday.” - Tamora Pierce New York Times

Book 1 Blurb Summary: Lying in bed at night, twelve year old Henry York can’t ignore the thumping and scratching he hears on the other side of his bedroom wall. He scrapes off the plaster and discovers doors - ninety-nine cupboards of all different sizes and shapes. Through one he hears the sound of falling rain. Through another he sees a glowing room - with a man strolling back and forth! Henry and his cousin Henrietta soon learn that these are not just cupboards, but portals to other worlds.

Book 2 Blurb Summary: Henry York never dreamed his time in Kansas would open a door to adventure - much less a hundred doors. But the cupboard doors, hidden behind Henry’s bedroom wall, are actually portals to other worlds. Now Henry must go through the cupboards to find the truth about where he’s from and who his parents are. Following that trail will bring him into encounters with wizards and Faeren, and ultimately into battle with the evil of Endor. This time, the witch is not alone...

Book 3 Blurb Summary: When Henry York found ninety-nine cupboards hidden behind his cupboard wall, he never dreamed they were doors to other worlds. As Henry unlocks the secrets of the cupboards he releases the undying witch Nimiane, who could destroy every world connected to the cupboards - and every person whom Henry loves. Now henry must seek out legendary Chestnut king for help, but the Chestnut King’s desire may be as dangerous as the witch herself.

Primary – Year 8 Happenings...

Kinder Transition visit

On Tuesday 23rd of July the Rushworth Kinder walked to Rushworth P-12 College to visit our Prep/1/2 class. This was the second transition visit this year and it was great to see the children developing relationships and working together. The Prep/1/2 students hosted a buddy reading session and read a homemade big book, which was then donated to the kinder. After a fantastic morning tea (thanks to Pat and Gemma) the Prep/1/2 students encouraged their kinder buddies to ‘explore’ their room. Before we said good bye to Rushworth Kinder the Prep/1/2 students presented and sung ‘The Wonky Donkey’ to a very enthusiastic audience.

We look forward to the next visit and would like to thank Marg, Tammy, Elizabeth, Donelle and the Rushworth Kinder children for making the morning so enjoyable!

Rachel Partridge -Prep/1/2 Teacher

Our Kinder friends had fun with us on Tuesday—
we can't wait for them to visit again...
Prep—Year 8 Awards

Prep/1/2: Jackson Stewart for making great improvement in Literacy

Year 3/4: Andrew Robinson - For writing a fantastic story using his “th” spelling words. Well Done! Baylee Bons – Always trying her hardest and getting all of her work done in class. Keep up the great work!

Year 5/6: Jake Jones for an excellent procedural text on how to drive a manual car!

Chloe Laurie for thoughtful planning & making an excellent start to your music poster

Year 7: Melinda Andrews for excellent efforts in public speaking and for completion of work in all subject areas.

Year 8: Lachlan Sitters for an excellent start to the term, applying himself to the work and demonstrating a positive attitude

P-8 Focus this fortnight

P/1/2:

Literacy - Throughout the next term we will be working on our reading comprehension and strategies and will be continuing our work on spelling and our MIOOW. Within writing Preps will be working further on their recount writing and letter formation, and Grade 1 and 2 will be exploring developing their own narratives.

Numeracy - Over the next fortnight in Numeracy students will be beginning to use Mathletics within the classroom to assist mental maths strategies. We will also be focusing on number names and exploring Mass and how it’s measurement is important in our lives.

Year 3/4:

Literacy - The Grade 3/4 students have made a great start to Term Three. Our Literacy Focus for the next two weeks will focus on using the CAFÉ (Comprehension, Accuracy, Fluency, Expanding Vocabulary) Model to assist in our reading and using different strategies to increase our work knowledge. We will also be looking at the characters part of a narrative to assist in our narrative writing. We are looking in-depth at each section of a narrative before we begin writing out own narratives.

Numeracy - In Numeracy, we are working on our Times Tables to assist in our skills to complete multiplication problems. We will also be covering the following topics: Fractions and Decimals, Geometric Reasoning (Angles and Clocks)

Year 5/6:

Literacy - Students will be working on their comprehension skills when reading and will also be working on procedural texts and critical literacy in their writing.

Numeracy - Students will be learning about the interpretation and construction of a range of graphs and will also be revising a range of addition strategies. Recalling times tables facts will also be a focus.

Year 7:

Literacy - The Year 7s have selected new set novels for text study, choosing between historical novels Dodger, No Way Back, Anne Frank’s Diary and contemporary selections Specky McGee the Best of Oz and Don't Call me Ishmael. All students should be continuing to choose their own Wider Reading novels and reading these during home study times in addition to allocated class times. The whole class are working in small groups writing and performing plays on the topic of bullying.

Year 8:

Literacy - In Year 8 English, the students are taking responsibility for their own learning, identifying and recording unfamiliar vocabulary in their journals and using these as their spelling words. We have been exploring media issues and the students have just selected their class novels.

We are excited to celebrate BOOK WEEK soon - we hope you will join us!
**Book Week is Coming....**

*Rushworth P-12 College Primary Students*

‘Children’s Book Week’ Dress as your Favourite Book Character

“The Children’s Book Council of Australia celebrates and supports Australian authors and illustrators of books for children and young adults, primarily though the Children’s Book of the Year Awards”. The winners of each category will be announced on the 16th of August, 2013 leading into the ‘Children’s Book Week’ that runs from 17th to the 23rd of August, 2013. The theme this year is ‘Read Across the Universe’.

On Monday the 19th of August, we would like your child/ren to participate by dressing up as their favourite book character. We will be having a free **BBQ lunch (1.00pm to 1.40pm)** for all Primary students and during the lunch break, your child will participate in a parade where they will be judged for the best dressed character/s.

The criteria for best dressed is as follows:

- We will be looking for students that are creative by using recycled materials from home
- Likeness to character
- Effort in construction of character

Your child will also be involved in a session of activities that will be held in the Library. These activities will focus on the Children’s Book Council Australia shortlisted resources for 2013. They will also be informed of the winners of each category.

Looking forward to enhancing your child’s interest of reading and knowledge of Australian talented authors and illustrators! These great resources are available for your child/ren to take home and share with you!

Please ask your child if they have the letter that was sent home this week, and inform us of your intention to attend by completing and detaching the slip on the letter and returning it to the office **NO LATER** than Monday 5th August.
VTAC Applications open soon:
Term 3 marks the time of year when our Year 12 students really need to start thinking hard about their future plans once they leave school. VTAC is the centre who administer all the University and TAFE admissions for Year 12 and mature age students. So, if as a Year 12 student, you are thinking of applying for TAFE or University, I urge you to make an appointment with me so we can discuss the process, support your application and alert you to the other means of admission schemes available to you. I will be sending home an information pack for all the Year 12 students shortly.

Special Entry Access Schemes:
Information has begun arriving at Careers Central about the range of special access schemes available to our students if they are considering Tertiary study. Year 12 students will be made aware of these schemes, but if parents would like some information too, please contact me.

Open Days:
Term 3 also signals the time of year that Universities, TAFEs and other learning organisations throw open their doors to prospective students and showcase what a wide range of opportunities they have to offer. I encourage parents and students in Years 10, 11 and 12 to consider attending an Open Day and discover first hand the range of experiences available.
I will be sending home Open Day information for these year levels shortly, but please feel free to contact myself at the College if you would like more information.

Year 10 Guides:
Several Universities produce a Year 10 guide each year. These guides introduce parents and students to the world of university study, and provide advice on selecting subjects for VCE that will assist or be a requirement for specific university courses. These will be available at our Senior School Information night—but if you can’t make it and would like some copies, please contact myself at the College.

Latrobe University, Shepparton TEC & Strategies for Excellence (SBA provider) will be in attendance at Senior School Information night:
The above providers will all be in attendance at our Senior School Information evening next week. I urge parents and students to come along and talk to these representatives about the services they offer. Latrobe can give you advice about choosing university studies, Shepparton TEC will be available to talk about the range of VET course they offer for our students, and how these can be valuable building blocks to further study. Strategies for Excellence offer a range of School-Based Apprenticeships—where students combine part-time paid employment and study whilst completing school.

Please take full advantage of their expertise!

Kerrie Raglus, Student Pathways
This Highway Home

A reminder to all Prep-12 students to return their ‘Image Release Form’ for the FREE Highway Home DVD!!

We need all forms to be returned before we can give out the DVD’s to students, parents and community. If you have lost your form please see Miss O'Toole for a new one or ask for one at the front office of the College. I am hoping to have all forms back before Friday 2nd August.

Thanks for your help and support.

Check out the ‘Highway Home’ update on the Rushworth P-12 College Website:

VCE Assessment Calendar

Welcome back to Semester 2. I hope all the VCE students have returned to school with renewed enthusiasm. Teachers are busy preparing work and assessments for YR 11 Unit 2 and YR 12 Unit 4.

An assessment calendar will be out in the third week of term with all the School Assessed Tasks (SACs) and School Assessed Tasks (SAT’s) Dates.

The Victorian Curriculum Assessment Authority (VCAA) YR 12 Exam Calenndar has been published and is available on line at: http://www.vcaa.vic.edu.au/pages/vce/exams/timetable.aspx?Redirect=1

Students will be informed of Exams Dates in subject classes as well as receiving an exam timetable closer to the exam period.

Frankie O'Toole

VCE Coordinator

Upcoming VCAL project...

“What I wanna be, when I grow up”

Out of Uniform Day       Tuesday 13th August

Gold coin donation - money raised donated to McGrath Foundation

BBQ lunch available for Year 7-12 students
Sports Report:
Welcome back to Term 3 and I hope that the holidays were filled with lots of fun and plenty of physical activity!

Coming up in Term 3 we will be having a number of sports days for our students including a school Cross Country afternoon, Secondary Inter-School athletics and the Year 7 & 8 Junior Summer Sports day.

Next week we are sending a group of lucky students along to the Friday night Bendigo Braves match at the Schweppes Centre. These students are selected from our Year 7-10 Health and PE classes as the students who have worked well all Semester and attended the most classes in full and correct PE uniform. This is a great opportunity for the teachers to recognise the hard work that these students put into attending class prepared to learn.

PE Uniform:
The college has now finished ordering the new PE shirts and although we have a very small number left in stock (which can be purchased from the college for $25) once these have been sold, any students requiring the new PE shirt will need to order them directly through Mister Embroidery in Kyabram, 5853 2777.

I would like to thank all of the students and families who have supported this uniform change. The students are looking fantastic in the new shirts and have been complemented at a number of inter-school events on their professional appearance.

Other Upcoming Events:
⇒ Friday 6th September Secondary Interschool Athletics
⇒ Wednesday 18th September Junior Summer Sports

Amanda Cray,
PE Coordinator

Tatura Basketball Spring Competition

Tatura Basketball Spring Competition will commence August 14th.

This competition is open to ages 8-16 (must still be 16 on 31st Dec 2013).

Registration Nights: 6-7.30 pm Wednesday July 24th and Thursday July 25th, upstairs at Tatura Stadium.

For further information please contact Lisa Cullum on 0428242889.
