### OCTOBER

- **20th**: College Council & sub committees 7pm
- **21st**: Rushworth Lion’s Junior Public Speaking comp for selected 4/5/6 students
- **20-24th**: Outdoor Ed Murray River Camp
- **21st**: Feeder Schools Grade 6 day
- **24th**: Last day for Year 12’s Farewell Assembly 2pm ALL WELCOME
- **27th**: Prep transition day
- **28th**: Year 9 CFA Wangaratta Excursion
- **29th**: VCE Examination period begins
- **30th**: Immunisations for Year 7 & 9
- **31st**: Newsletter home

#### NOVEMBER

- **4th**: Melbourne Cup Day - Public Holiday NO STUDENTS AT SCHOOL
- **5-7th**: Year 11 Exams

---

The NEON social last term was a resounding success for the YEP & SRC groups. Zoe, Janelle & Shae had lots of fun! A trip to the Bendigo Art Gallery was a great way to start the Term for some of our Art students.
News from the Principal....

Welcome to Term 4 of the 2014 school year and what many would say is the busiest time of the year for students and staff. We have had a fantastic start to the term with students and staff quickly settling back into the school routine and it has been great to see our students diligently applying themselves to their learning and work over the past week.

Year 12 students have returned knowing they have only a couple of weeks before formal classes cease. Year 12 students will be dismissed officially on Friday 24th October. On Friday 24th October a College Assembly will be held at 2:00pm in the College Stadium, all parents are welcome to attend. This is our opportunity as a College community to congratulate our students on their outstanding achievements that will culminate later this term in their successful completion of their formal schooling and the completion of Year 12. This is a significant event for our Year 12 students and a ritual of the College, giving our students a chance to say thank you and the College an opportunity to wish our students every success for their futures.

Our senior students are soon to commence their exams and the first exam for all students will be held on Wednesday 29th October at the Rushworth Shire Hall. Staff are here to support students and parents during the study and exam period, support is also available through Student Wellbeing Leader Chris Hogan, School Nurse Leanne James, College Chaplain Hannah Johnson and regional allied health workers.

A key component of our work in Term 4 is preparation for the year ahead. This takes on many forms throughout the College and over the coming weeks we will be releasing further information to our College community on a number of fronts, these include:

- College Charges for 2015 – Great news, College Council have kept charges at the same rate since 2012 and this will continue into 2015.

- Staffing Announcements – upcoming announcements for our staff team in 2015, including any new additions to the team and the roles they will play in 2015.

- Bring Your Own Device – The College is adopting a Bring Your Own Device approach for computers from 2015 onwards. In 2015 this will affect our students in Years 7 & 10 who will be required to bring their own electronic device, be it a laptop, netbook or tablet. Specific details and information will be released soon. College Council realise that this is an additional cost for parents and as such will waive the College Charges for Year 7 & 10 students who bring their own device (within College specifications) in 2015. More information will be out to parents very soon.

The first week of term has also seen us welcome our School Review Team for their first day of the Priority Review. A highlight of the day for our Lead Reviewer, Mike Rowland and Senior Advisor, Amanda Hubber was getting to witness first hand the very positive manner in which our students interact with one another whilst out in the playground but even stronger feedback was received on the outstanding ambassadors we have in our senior students. A significant number of students met with the Reviewer and Senior Advisor in small groups and the ability of our students to articulate their educational journey, our College’s growth and strengths and importantly areas to focus on to improve was exemplary and as high in quality as would be found in any other school. Some fantastic, positive recognition of our senior students, their connection with the College and the work we are doing.
On the staffing front, we will be saying a temporary ‘goodbye’ to Mrs. Maree Moyle later this term, as Maree takes on the Acting Principal role at Stanhope Primary School from the 11th November through until the end of 2014. We wish Maree every success with this temporary venture and look forward to having her back on our team in 2015.

Finally, it is that time of the year where it wouldn’t be a newsletter if we didn’t mention that we need all our students to be Sun Smart. This means that all students need to have a school hat and then be wearing it when they are outside, this includes recess, lunch and during Health and Physical Education classes.

*Have a great term ahead and don’t forget to spread the word about the great things happening at Rushworth P-12 College.*

*Kind regards, Brad Moyle, Principal*

---

**Changes to the Education Maintenance Allowance**

From 1 January 2015, the government will provide extra financial support directly to Victoria’s neediest schools instead of providing the Education Maintenance Allowance directly to parents.

Parents will not be able to apply for the Education Maintenance Allowance in 2015.

The money will be allocated to eligible schools through schools’ core operational funding mechanism, with the neediest schools receiving the most funding. Not all schools will be receiving funding in 2015.

This change to how the money is distributed was required by the funding agreement with the Commonwealth government to make sure Victorian schools receive increased funding that will benefit all students and, in particular, those from schools with concentrated disadvantage.

The majority of parents who received the EMA payment already elected to provide the money directly to their school.

If you are experiencing financial hardship, you can speak to your principal about how you can access assistance from the State Schools’ Relief Committee for clothing and uniforms.

The end of the EMA direct payments to parents will not affect any other payment you may be receiving such as the Schoolkids Bonus, which is provided directly to eligible parents to assist with education costs.

*If you have any questions about this change, please speak to your school principal.*

---

**Rushworth P-12 College is a SUNSMART School**

*ALL staff and students need to wear a hat when outside during Term 4.*

*If you need to you can purchase one from the General Office for $12.*

---

*College Values: RESPECT, Resilience, Excellence, Support, Persistence, Encouragement, Community, Trust.*
On Wednesday the 17th of September the Year 9 YE P group, members of SRC and Mrs Hodson made a huge effort in organising a successful Years 5 - 12 social. The YEP group had been organising the social for a majority of Term 3 and were ecstatic with the feedback they received.

Activities held on the night included minute to win it, limbo and best and worst dressed. All the students had a great time posing for photos in our very own photo booth and dancing amongst the music generously supplied by Ryan Gay a previous Rushworth P-12 student, who has a successful DJ business and Jack Valent a current Year 12 student at Rushworth P-12 College.

All students at the end of the night returned home safely with the help of all the teachers. A big thankyou to all the staff members who sacrificed their night to attend the social and make sure everyone stayed safe. Also a big thanks to Cathy and Phil from The Rushworth Criterion Hotel who supplied us with yummy finger food.

The YEP group
Photo Competition

Year 11 Geography students have entered the 2014 RMIT Environmental Engineering Photo Competition.

The purpose of the competition was to explain a local environmental problem using a powerful image and a few supporting words of explanation. The students researched successful national and international environmental campaigns and considered the elements of those campaigns they could include within their own work.

We believe they have done very well! We will know how well when the end of November rolls around and their entries are considered.

Kristie Crute, Caleb Stokes and Alex Gelsi deserve joint credits for the works.

![Photo 1](image1.jpg)

This image is tackling the huge problem of litter and pollution in my local box ironbark forest. The school in the background of the photo shows where the rubbish originated from and where the true problem lies. The impacts to the forest and the environment as a whole because of this pollution from my school include not only a dirty and un-aesthetically appealing look, but also physical impacts to the native flora, fauna and soil in our forest. The impact is showcased in the image of the native ironbark tree, replacing what should be a healthy leafy tree in the foreground of the photograph.

Body Beautiful in Ancient Greece -

Bendigo Art Gallery Excursion

The Year 9 Art and Year 11 Studio Arts classes started Term 4 with a fantastic trip to the Body Beautiful in Ancient Greece Exhibition held at the Bendigo Art Gallery. The exhibition came all the way from the British Museum in London and featured more than 100 iconic Greek treasures.

Students were given a guided tour by one of the Bendigo Art Gallery education officers and were asked to consider who and what the Ancient Greeks were like and how they created works of art form the Archaic, Classical and Hellenistic periods of Greek Art. The Year 11 Studio Arts students has just finished studying the Ancient Greek and Ancient Roman art period and were excited to see some of the works they had studied first hand.

All students who attended should be congratulated on their outstanding behaviour. Each student conducted themselves in a responsible, respectful and positive manner, engaging with the education officer, asking and responding to questions and writing positive feedback comments for the gallery.

This was a fantastic opportunity to engage students with local galleries and broaden their cultural horizons without getting on a plane to England – that’s next year’s excursion! A big thank you to Mrs Bradley who attended the excursion with Mrs Hodson, what a fantastic day!

Frankie Hodson

Art Department
Students were listening intently to the Art Gallery tour guide all the way through the visit.
Years Prep - 2

Learning Foci:

Literacy this week includes discussing how human and animal characters are presented in stories and how authors use language to present their story. We have also looked at connecting our own life experiences with those of the characters in the books we read.

Next week we will be learning about expressing our thoughts, feelings and opinions about different books and expressing a preference of certain types of books.

For the next few weeks the Prep students will be revising the letters we have already learnt, as well as introducing some common sound blends.

Numeracy:

This week our numeracy focus for preps has been comparing and ordering events based on duration using everyday language of time. Grade one students have been learning to measure and compare the length and capacities of different objects using uniform informal units. Grade two’s have been working on comparing the mass of different objects using balance scales.

Next week’s focus will include, for preps learning to recognise small groups of objects without having to count each object.

Grade one students are working with number patterns and skip counting. Grade one’s are working on developing their confidence with number sequences and skip counting by twos, fives and tens. Grade two students are learning to recognise and represent division as grouping into equal groups.

Megan Flynn

Year 3/4

Grade 3/4’s have had a great start to Term 4!

We have welcomed two new students, Samual Jackson in grade 3 and Isaak Jackson in Grade 4. The class were very excited to have them both start with us this week.

Take home readers: Please remind your child to read each night. Their reading needs to be logged into their reading journals (green book) or the photocopy of this (which some students have). If students are reading a chapter book, they need to record the pages read each night (under title).

Our Numeracy focus for the next couple of weeks is Mental addition strategies. We will also be looking at Money and Financial mathematics before moving onto units of measurement. For Literacy, we will be looking at direct and indirect speech work in different types of text. Students have also been focussing on the structure of different types of text and will continue with persuasive and informative and imaginative text types.

Belinda McDonald
Year 5/6

Literacy Foci
Identify and explain how analytical images like figures, tables, diagrams, maps and graphs contribute to our understanding of verbal information in factual and persuasive texts.

- observing how sequential events can be represented visually by a series of images, including comic strips, timelines, photo stories, procedure diagrams and flowcharts, lifecycle diagrams, and the flow of images in picture books
- observing how concepts, information and relationships can be represented visually through such images as tables, maps, graphs, diagrams, and icons

Numeracy Foci
Money and financial mathematics Investigate and calculate percentage discounts of 10%, 25%, & 50% on sale items, with and without digital technologies.

- using authentic information to calculate prices on sale goods

Inquiry
Our inquiry focus is Antarctica

Carolyn Fraser

Year 7

Year 7 English Focus
In week 2 and 3 Students are working on their essay writing skills, developing an understanding of how to form an essay from start to finish. They have also begun a personal reading project, with each class on Friday devoted to time in the library. Students have also had the opportunity to do some creative writing this week.

Food Technology
Students are reminded to bring their containers to each Food technology session. Containers are no longer be able to be provided by the school.

Year 8
The Year 8 Maths focus for the next two weeks is Area. We will be working on finding the areas of circles, sectors, composite shapes, quadrilaterals & triangles, with and without the use of calculators. We will also focus on converting various units of area.

READING AWARDS

Jackson Stewart - 225 Nights!

Great work Jackson!

College Values: RESPECT, Resilience, Excellence, Support, Persistence, Encouragement, Community, Trust.
Student Awards / Worthy of Praise

Year P/1/2: Annalise Boyd and Hannah Price for making a positive start to the term.
Year 3/4: Zac Price and Myah Zonta both for a fantastic start to the term! It was very hard to choose the awards this week as (nearly) the entire class came back ready to learn after holidays!
Year 5/6: The entire 5/6 class - Presented in recognition of exceptional effort and positive attitude toward their Individual Writing Journals
Year 7: Chelsea Roberts, Brooke Austin and Brandon Gaertner-Sullivan: for a fantastic start to Term 4.
Year 9 - 12: Nathaniel Schembri & Josh Newton - for receiving full-time apprenticeships!

Elise Jones - successful soccer tournament during Health & PE week, that received very high levels of participation.
Elli Bertram for the iSteps program during Health & PE Week
Kaylee Andrews, Hailey Lemin and Caitlin Brown - for assisting some primary students at recess when they needed help.

SCHOOL NURSE CORNER

Immunisations

The Immunisation team will be back at the College on Thursday 30th October to administer the following vaccines: Third dose HPV for Year 7 students, Third dose HPV for Year 9 boys.

If parents could please ensure the following;

1. Ensure your child eats breakfast on Immunisation day.
2. Vaccinations are given in the upper arm, please ensure students wear suitable clothing.
3. A record/reaction sheet will be given to each student on completion of the vaccination. Please ask your students for this form.

Feel free to contact the Immunisation Co-ordinator on 1300 666 535 with any questions.

Leanne James
School Nurse

Don’t forget - It’s SunSmart time - wear your hat!!
Canteen Lunch Menu Term 4

Support your school canteen - upcoming specials!

**THESE ARE THE ONLY OPTIONS AVAILABLE FOR LUNCH FOR TERM 4.**

**RECESS WILL BE AVAILABLE AS USUAL.**

**MONDAY**

Chicken Schnitzel Wrap or Chicken Sweet Chilli Tender Wrap with lettuce and mayo.

FULL: $4.00  
HALF: $2.00

**TUESDAY 21st & 28th October**

Pasta Dish: **Greek Style Pasta Salad**

SMALL TUB: $3.00  
LARGE TUB: $4.00

**WEDNESDAY**

Salad Sandwich, Wrap or Roll: Choose one or all salads

**SALAD CHOICES:** lettuce, tomato, cucumber, beetroot, carrot, capsicum, pineapple

SANDWICH: $3.00  
WRAP: $3.50  
ROLL: $4.00

ADD: Egg or Cheese for an extra 50 cents

ADD: Chicken or Ham for an extra $1.00

**THURSDAY - 23rd & 30th October**

Rice Dish: **Pumpkin Risotto**

SMALL TUB: $3.00  
LARGE: $4.00

**FRIDAY**

BBQ with coleslaw: **BBQ Hamburgers, Plain sausages or Thai chicken sausages**

Veggie Kebabs: $2.00  
Sausages: $2.50  
Hamburgers: $3.00  
Chicken Steaks: $4.00

WHEN ordered with lunch, ANY drink is reduced by **50cents**

Also **Steamed Dim Sims** with soy sauce: 80c each are available **ANY DAY**.
Maths Matters

Games are a great way of teaching or reinforcing mathematical skills. The games described below can be used for practising addition, subtraction, multiplication and division facts. Decide which strategies or facts are being practised before the game begins and provide a suitable range of answers or resources.

Each game is suitable for two or more players.

**Target practice**
The number of rounds and how the winner is chosen should be decided before the game begins e.g. the player with the largest score after five rounds is the winner. Create a large target showing numbers to 10 (e.g. draw a target on large sheets of paper/draw in chalk on cement/modify a commercially produced target). Throw two small soft markers onto the target and add, subtract or multiply the two numbers. The answer is that player’s score for that round.

*Note:* If one marker doesn’t land on a number, throw again. If both markers land on the same number, the answer will be zero.

**Bingo**
Ask players to write six numbers within an appropriate range. Say a fact. Players cross out the answer to that fact. The first player to cross out all six numbers is the winner.

**Card game**
Remove the picture cards from a deck of playing cards. Place the remaining cards in a pile. Take turns to turn over the top two cards. Players add, subtract or multiply. The first player to give the correct answer keeps the cards. The player with the most cards at the end of the game is the winner.

**Relations race**
Players stand at a ‘starting line’. A caller says an addition/multiplication fact and the players call out the related subtraction/division fact (e.g. the caller says ‘double 6 is 12’ and the players call ‘12 take 6 is 6’). The first player to call the related fact takes a step forward. The winner is the player who is furthest ahead after a given time or number of calls.

*For ideas about learning more numeracy hints keep an eye out for the ‘Maths Matters’ section in the next newsletter.*

*Margaret Turner. Numeracy Support, Rushworth P-12.*
NOW AVAILABLE IN THE COLLEGE LIBRARY!!!

**Fiction**

**Title:** Sandy Feet  
**Author:** Nikki Buick  
**Recommended for Years 7+**  
“A road trip of healing and discovery, and I highly recommend you take” - Michael Gerard Bauer

**Title:** Pandora Jones. Admission. Book 1  
**Author:** Barry Jonsberg  
**Recommended for Years 9+**  
“Barry Jonsberg has a talent for dropping his characters into a pressure cooker and snapping the lid shut” - Scott Gardner

**Title:** State of Grace  
**Author:** Hilary Badger  
**Recommended for Years 9+**

Blurb: Nothing and no-one exits beyond the garden where Wren and the others live but that’s okay - they have everything they could possibly need right there, in paradise. The trees are laden with fruit and the water in the lagoon is as clear as crystal. Wren's world is utopia.

If only Wren could stop the strange visions she’s started having: flashes of another world, where there are people she doesn’t know - couldn’t possibly know - but who somehow feel familiar. And what does Blaze, the most beautiful and mysterious of creations, know about what’s going on in Wren’s head?

When she uncovers the lies that are propping up everything she has ever believed in, Wren must choose: remain in blissful ignorance or face the ugly truth?

**Title:** Kaleidoscope  
**Edited by Alisa Krasnostein and Julia Rios**  
**Recommended for Years 9+**  
Diverse science fiction and fantasy stories. Twenty original stories tell of scary futures, magical adventures, and the joys and heartbreaks of teenage years.

**Call into the Library and check out the NEW books!!**

*College Values: RESPECT, Resilience, Excellence, Support, Persistence, Encouragement, Community, Trust.*
NOW AVAILABLE IN THE COLLEGE LIBRARY!!!

**Junior Fiction**

**Title:** The Last King of Angkor Wat  
**Author:** Graeme Base  
**Blurb:** TIGER, Gibbon, Water Buffalo and Gecko are sitting amongst the ruins of ancient Angkor Wat, wondering which of them would have made the best king.  
The appearance of a mysterious visitor leads them to discover their true selves in a race to a distant hilltop.  
*A timeless fable filled with adventure and beauty from a much-loved storyteller.*

**Title:** A House of Her Own  
**Author:** Jenny Hughes  
**Illustrator:** Jonathan Bentley  
**Blurb:** Audrey is bigger than she was yesterday. Now she needs a bigger house. So she tells her dad to build her one.  
At the top of the tree.  
It is an ideal house. It has a bathtub for snorkeling, a place to drink tea and somewhere to hide the dirty cups.  
The house is perfect in every way. Except for one thing.......  

**Title:** The Last Viking Returns  
**Author:** Norman Jorgensen  
**Illustrator:** James Foley  
**Blurb:** Josh is a brave as a Viking warrior. And not much can scare a Viking. But the two littlest Vikings are going berserk. They think they’re invincible, and that spells trouble.  
When Pop takes the family to Viking World, Josh finds out just how far he’ll go to keep them safe.

---

**Year 12 Farewell Assembly**

**Friday 24th October 2pm in the College Stadium**

Parents and members of the College are most welcome to join us to celebrate the achievements of the 2014 Graduating class.
Rushworth Girls Win At Interschool Tennis

Last week a group of Year 7 and 8 girls traveled to Shepparton to compete in the interschool Division 2 tennis competition. They were Abigail Clarke, Danika Dizon, Kiarrah and Paris Lehmann, Chelsea Roberts and Nikita Schembri. The weather was sunny with only a slight breeze, perfect conditions for play. The format for play was a doubles competition against Shepparton High School, Notre Dame, McGuire Secondary College and Wanganui Secondary College. The winning team was decided by the accumulation of the most games after a round robin series of play against each competing school. Rushworth College played some great tennis having managed to get in some solid practice previously under the guidance of Mr. Stephan Baker. The end result was not able to be finalized until the last games, whereupon Rushworth proved victorious by only a handful of games. Thanks go to Mr. Baker for his coaching and support on the day, Mr. Jamie Daff and Mr. Jeremy Lambden for organizing and transport, and Mr. Andrew Richardson for running the competition at the tennis club on the day.

Super 8’s Cricket

Wednesday the 8th of October saw our Year 7 & 8’s head off to Shepparton for the Junior Summer Sports, which they competed in Tennis and Super 8’s Cricket. The girls Tennis team had a very successful day winning the Division two title which the College is very proud of! Mr Bakers and Mr Richardson’s expert coaching was all put out on show by the girls.

The year 7 boys Super 8’s was a very fun day out for the boys, with some boys showing good skill and others picking the game up quite quickly for first timers. Although the boys didn’t win as many games as they’d hope, they still finished the day in great style by winning their final match through a 5 wicket over by Jack Risstrom!

Amanda Cray

Sports Co-Ordinator

Cricket Players Wanted

The Stanhope Cricket Club is searching for boys and girls who are interested in the wonderful game of cricket.

If your children are interested in playing cricket in a fun and safe environment, the Stanhope CC is the place for you.

- **Milo in2 cricket (5-8 year olds):** Thursday nights, 4:30pm, beginning the 16th October at the Stanhope Cricket Ground.

- **Under 12’s:** Tuesday nights, 4:30pm, beginning the 7th October at the Stanhope Cricket Ground. Games played on Wednesday nights.

- **Under 16’s:** Thursday nights, 4:30pm, beginning the 9th October at the Stanhope Cricket Ground. Games played on Friday nights.

For further information or enquiries please contact our Junior Co-ordinator, Craig Emmett 0409 014 854.
Kinder come and join us for “Tabloid Sports”

We certainly enjoy spending time with our Kinder friends.

College Values: RESPECT, Resilience, Excellence, Support, Persistence, Encouragement, Community, Trust.
5th Annual
KING BILLY RETREAT OPEN GARDEN PARTY

KING BILLY GUEST HOUSE

October 25 & 26, 2014. 10am - 4pm
Free shuttle bus from High Street, Rushworth (Opposite band rotunda)
No roadside parking or vehicle access to property so please catch the shuttle bus.
First bus leaves High Street at 10am. Last bus leaves King Billy Retreat at 4pm.

Celebrate Springtime in Rushworth at the garden, guest house and home of landscape architect Louise (Costa) and Les Pelle.
Developed through drought, built on bed-rock and nurtured with love, this garden is a unique blend of local plants and built objects inspired by the art of recycling. Featuring paving, panels, seating, retainer walls and sculpture, all constructed with rescued materials.
In its eighth year, the garden has matured and developed a delightful atmosphere set within the 18ha conservation covenantated property, against the backdrop of Rushworth's dramatic Box-Ironbark forest. Come and see us again or visit for the first time.

$10 entry at gate with lucky gate prizes. Complimentary tea & coffee
Children are welcome at no charge & inspiration is free!
Trust for Nature will be running guided tours of the property on Saturday 10.30am, 1pm & 2.30pm.
Plants, books, local produce and craft for sale.
Lunch and sweet treats catered by Ivy Grange Soul Food.

For more information contact Louise m. 0437 183 303 or go to www.facebook.com/‘King Billy Retreat’ Guesthouse and Gardens.
If you have anything you would like to have published in our College newsletter please email articles to: rushworth.p12@edumail.vic.gov.au

URGENT CALL FOR L2P MENTOR DRIVERS!

Campaspe Shire’s L2P Learner Driver Mentor Program is seeking mentor drivers to support the program. Mentor training sessions look at all areas of the supervising driver and how mentors can best prepare for their driving sessions.

MENTOR TRAINING WILL BE HELD: Saturday 15 November, from 2pm and Sunday 16 November, from 7am to 7pm at CVGT, 295 Darling St, Echuca. Training is free and catering is provided. For more information please contact Liz Smith on 0499 435 501 or email liz.108@cvgt.com.au.

Providing disadvantaged young people with valuable opportunities for learner driving practice and licensing as well as improved road safety, social and employment outcomes.

L2P is funded by the Transport Accident Commission (TAC) with the federal government.

Proudly supported by HEPACT.

RECONCILIATION PROGRAM

St. Mary’s Parish Reconciliation Program will commence on Monday October 27th 2014, with a Parent Information evening in St. Mary’s School library commencing at 7.00pm.

At this meeting parents will have the opportunity to form home groups to complete the 4 week preparation with their child/ren before the Sacrament of Reconciliation.

The reconciliation preparation is for children in Grade 3 and beyond. The reason for this is that they are old enough to understand and discuss the questions.

If you would like your child to participate in the Reconciliation program please contact St. Mary’s School on 58561347.

Please mark this date in your diary.
