What happened to Bailey Burge? How did his head end up in the fruit bowl? Find out more on pages 8–9.

Students enjoyed the Community Reading Day recently - see more on page 12.
News from the Principal....

Year 12 Students

Our Year 12 students have close to one month left of their time at the College. This is a crucial time for them as they prepare for their exams and final assessments. Parents/Guardians this is a difficult time for your children. I urge you to support them to focus on the tasks at hand, have set study times, take regular breaks, get plenty of rest and eat well. Late night, social media such as Facebook and other use of technology are major distractions and are proven to impact negatively on student performance. Suggest to your child to leave their phone in another room, limiting them in the short term is essential. The importance of this time cannot be underestimated.

PBIS News

Our continuing effort and work to ensure a positive College culture and climate is being recognised locally, regionally and around the State! Our College recently received recognition of our high quality PBIS work by the Department of Education and Training, being honoured with a Silver Award for 2015, reflecting our implementation of Tier 1 PBIS Systems and the quality of our plans for further developing this work as we implement Tier 2 and Tier 3 strategies to support our students. Our PBIS work continues this term with our team working on a Social Skills Program and Bully Prevention Program to introduce to our students and staff next term. Our Student Voice Team have been lending us a hand and are currently making recommendations on a name for our Bully Prevention Program, stay tuned for their big announcement.

Our work in this area has also extended to sharing our work and supporting other schools, supporting another 6 schools over the last few weeks, including a visit by a staff team from Weeroona College, Bendigo on Monday. We must congratulate our students on the feedback received from Weeroona staff, they were amazed with the focus of our students and the calm, controlled and learning focused environment that was present in every classroom. This is a huge pat on the back for our staff and students who are continually working together to make Rushworth P-12 College a better place, great work everyone.

Reporting Student Progress

This past few weeks have been a formal opportunity for parents, teachers and students to connect and discuss the progress of students throughout the Term. This has taken many forms, including the release of 2015 NAPLAN results to parents of students in Years 3, 5, 7 and 9, Term 3 Interim Reports being distributed, Term 3 On Demand Results for Year 3-10 students being available and then just this Wednesday afternoon our Parent Teacher Interviews.

If you haven’t already had a discussion with your son or daughter about their achievements, please make the time to do so. This is an ideal opportunity to reset and retune the compass where it is needed before the final term of the year. Celebrate the successes, support your children in the areas where they need to grow and
develop further (don’t forget we are here to help you with this) and talk with your children about setting some challenging but achievable goals for the final Term of the year.

**Safe Holiday Break**

Finally, on behalf of our staff team, I would like to wish all of our readers a safe and enjoyable school holiday break. We look forward to having you all back with us on **Tuesday 6th October**.

*Kind regards,*

Brad Moyle, Principal

---

**Rushworth P-12 College - SAKG**

*Mini Market*

**Monday 14th September 10.30am til 1.30pm**

- Come along & enjoy a scrumptious morning tea, or light lunch on the kitchen deck.
- Purchase some of our FRESH garden produce, or plants for your garden. Eggs from our friendly chickens.
- Take home some preserves, gifts or craft work.

**ALL WELCOME**
### PBIS Positive Behaviours

The following students have been recognised for displaying one or all of the College’s three expectations, **Be Respectful, Be Responsible** and **Be Resilient** recently.

Well, well, well...
(Wellbeing & Wellness)

As we come to the end of another term, the upcoming holidays give us a chance to recharge our batteries for the final dash. This time is important for the mental health of students and staff who have been testing their resilience by striving for excellence at the College and need to look after themselves with some time out. When students return on Tuesday 6th October we will be amidst National Mental Health Week, which concludes on World Mental Health Day, Saturday 10th October.

Being mentally healthy is not just about being free from depression or anxiety disorders, but is about exhibiting the characteristics of wellbeing that keep you functioning at your best, or flourishing. Psychologists and wellbeing experts offer a variety of dimensions that constitute a state of flourishing. While there is a significant overlap, there is no consensus on a specific makeup of wellbeing in a person. A popular model is that proposed by American psychologist Martin Seligman: PERMA, which stands for Positive emotions, Engagement, positive Relationships, Meaning and Achievement. Seligman’s research demonstrated that a high degree of more than one of these experiences in a person can identify them as being in a state of flourishing. Other models include experiences such as autonomy, purpose, self-acceptance and psycho-personal growth. Frequently experiencing these dimensions bolsters mental health and enables you to live, work and communicate at your best.

To celebrate Mental Health week and support the mental health of the Rushworth P-12 community, the college will be planning activities around these dimensions, such as meditation sessions, positive classroom energisers and contributing to a College mental health booklet.

To further this work, during term 4, Headspace will be making informal visits to the College to mingle with students during lunchtimes on the 19 October and 16 November to encourage help-seeking behavior. Headspace will also be running a six-week program at the College called Social Warriors, which is aimed at working with students on both ends of bullying to build social skills and behaviours necessary for avoiding and managing these relationships.

Students who applied to join the resilience team will be planning and implementing a project that builds resilience in the College, based on the data generated from the Building Resilience in Schools survey that students will complete over the next two weeks. With all these events and programs, I hope that the term will reinforce Rushworth P-12 as a supportive community that promotes the resilience, health and safety of students and provides support when needed.

Kind Regards
Peter Bovell
Assistant Principal

Mental Health Week
Tuesday 6th - Saturday 10th October
Keep an eye out for planned activities 😊
Rubicon Outdoor Centre: Nayook Campus

By Matt, Brad and Russell

On Monday the 24th of August 12 year 9 students along with Mr Baker and Ms Taylor started the 3 hour journey heading to their destination, Rubicon Outdoor Centre: Nayook Campus. Along the way the bus stopped at Yea and the Yea bakery was a quick hit for a pie stop for the students. We sat down for about 15 minutes and after some brunch we set off again, headed for our destination.

We arrived at the campus at 1pm, we unloaded the bus and then met Mike and Tristen who were group instructors. We had a meet and greet, then had a tour of the campus. Shortly afterwards we had lunch (lamb rissoles and salad), after lunch we set up our cabins. Later that day we went for a bush walk with instructors Mike and Tristen, it was great fun even though there were leeches along the way.

Students planning their trek on some maps.

On Tuesday we woke up extra early and packed ski’s and equipment into the ute. We boarded the bus and off we went to Mt Baw Baw, it was a windy trip up to the summit and luckily there was no sickness along the way. Steve and James (skiing instructors) were the two teachers for the day, we learnt various skiing skills and strategies on how to ski in the dense snow. Tuesday was mainly a day for learning the skills to prepare for Thursday’s big cross country snow trip. Tuesday night we did a night Rogaine with instructor Phil.

Students up and about on the skis whilst Eqa and Matt pack up the shelter.

Wednesday we had a little bit of sleep in until 7am, we had breakfast and then boarded the bus towards Powelltown, just out of Powelltown in the dense rainforest was a series of underground caves. We started off with the instructors leading the way but as the day went on we had our own shot at taking control of where we headed. We were in the caves until around midday. We headed back to the campus and equipped ourselves with high roping harnesses and helmets. We headed out to the course in the bush and completed a series of different obstacles. Wednesday night we had to do snow preparation by ourselves and organise all gear for the skiing the following day.
Thursday morning we had another early morning, having to get up at 6am, we got ready and were in the kitchen at 6:30am ready for a breakfast worthwhile. We once again packed the ute with equipment and boarded the bus and set off for Mt Baw Baw, but this time we didn’t have the perfect trip up to the summit, 30 minutes before we made it and the windy roads had finally got to me, I (Matt LR) spewed up most of my mornings breakfast, thanks to Mr Baker for cleaning up the mess. Phil and James were our instructors for the day, we jumped straight into downhill skiing with everyone having a go at the slope. Shortly after we headed off for a cross country ski to the summit, Mr Baker, Ms Taylor and a couple of the students stayed behind and waited in the day shelter. It was a 2 hour trek up to the top of the ski run, we had lunch and plenty of fun skiing down slopes along the way. We finally arrived at the summit and a few of us had a go at going the ski run, whilst most of us landed on our faces we had an excellent time. Thursday night was our last night at the camp and we met the big diamond back python ‘Boots’, we had our last talk about Character Strengths and a final good bye to instructor Sam.

Friday was all about community projects and giving back to the campus, Russell and I planted some trees, Nikita and Eqa relocated the strawberries, Paris, Leah, Kiarrah and Abi worked with the animals and cleaned the ducks bathtub and Jorge, Wade, Lochie and Danica worked with the reptiles and helped maintain their enclosures. We had a final good bye to the camp staff and set off back to Rushworth.
PREP – 2 SCIENCE EXCURSION TO BENDIGO
(Written by the P-2 Class)

On Friday our class got on a bus and went to Bendigo.

First we went to the Discovery Centre, where we got to experience the Planetarium. In the Planetarium we saw lots of stars, all of the planets and lots of constellations. After the planetarium we went on the vertical slide. It was very scary for some, but lots of fun for others. Once we finished our slide rides, we got to look at lots of science exhibits.

After the Discovery centre we stopped for lunch at Cooinda Park. The park had big rainbow slides. We all had lots of fun on the slides!
Then we got back on our bus and travelled to Jumpz! We got special socks (so we didn’t slip) and had lots and lots of fun on the trampolines!! We nearly lost Ziggy and Jayden in the foam pit, Miss McDonald had to jump in to save them!!

When we had finished our jumping, we got back on our bus and travelled back to school. We were running a little bit late and arrived back at school on the bell! We were in such a rush we forgot to say “thank-you” to Mr. Daff for driving us there and back!!

P-2 Class & Ms McDonald

While on the subject of Camps & Excursions...

Camps Sports and Excursions Fund (CSEF) – URGENT!

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested health care card or pension card they may be eligible for CSEF. The allowance is paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
• $125 for primary school students
• $225 for secondary school students.

Please apply for this by contacting the office before end of term 3. It is important to note that the CSEF program covers eligible students up to the end of Year 12.

Enquire with Bek, or Pat in the General Office to check if you eligible and get the application sorted before the end of Term 3 - after that it’s too late!!
BOOKS LIGHT UP OUR WORLD.. Book Week fun!

AUTHOR/ILLUSTRATOR Zorn,
Book Week Activities with Prep to Yr. 6 Students

All students were very busy participating in various activities in the College Library. Activities were held reflecting on two shortlisted books ‘Pig the Pug’ and ‘Scary Night’.

‘Pig the Pug’ was read by Miss Flynn which then followed with the students making bookmarks and masks with great enthusiasm. Mrs Fraser read ‘Scary Night’ and a discussion of the course of events followed. Students then coloured and cut out pictures arranging them in correct order for the story. A game then followed called ‘Spooky game’.
BOOKS LIGHT UP OUR WORLD.. Book Week fun!

The BIG GRAND PARADE was enjoyed by all..
BOOKS LIGHT UP OUR WORLD.. Book Week fun!

The BIG GRAND PARADE was enjoyed by all..

The Party afterwards was enjoyed by all too...
Community Reading Day

Young students from Rushworth P-12 College and St Mary’s Rushworth enjoyed a day of reading fun with businesses across town as part of a second annual community reading day. Students enjoyed being read to by local businesses Waranga News, Moto Finish café, Waranga Hostel and the Community House on Friday 28 August before heading to Rushworth Library for activities. Organised as a partnership between Campaspe Shire Library Services, Campaspe Cohuna LLEN, local schools and businesses, the community reading day is aimed at promoting a love of reading in young students.

The reading days also coincide with Children’s Book Week, with books read to students coming from the Children’s Book Council of Australia Book of the Year awards shortlist.
LITERACY NEWS

Literacy Hints

To ensure your child is reading regularly, aim to set aside special reading time (and a special reading place). Setting a designated reading time helps in several ways. First, it allows a parent to plan their day more effectively and make time for reading. It also helps the child, especially reluctant readers, to think of reading as a normal scheduled daily activity.

Another great way to enhance your child’s interest in reading is to take your child to the library to check out books. Most popular Children’s books are available at the local library.

This is an affordable way to give your child access to a wide range of books. Taking your child to the library also turns reading into a special occasion.

Sue Bradley, Literacy Coordinator

Woolworths Earn & Learn program.

The program has now finished for this year, so a big thanks to everyone who has supported the College.

We’re now at the important stage of the program where the Sticker Sheets are collected and lodged as our Earn & Learn claim, enabling us to get some new educational equipment for our school. Please send in your Woolworths Earn & Learn Sticker Sheets and any loose Earn & Learn stickers you may have into the General Office before the end of term!

Thanks to everyone for their support thus far 😊

UPCOMING - Pupil Free Days

Monday 5th October - Staff Professional Development Day

Monday 2nd November - Staff Professional Development Day

Tuesday 3rd November - Melbourne Cup Public Holiday

Mark the following dates on your Calendar NOW!
Prep - Year 2

Congratulations to our weekly award winners! Bailey Burge who received our classroom award. Annalise Boyd was our PBIS winner and Chelsea Robinson received a special Mathletics award! Great work to those three students, keep up the great work!

We have been focussing on Data, Place value and Number Patterns in Numeracy. All students have been exploring these areas at different levels. Preps have also been focussing on numbers up to 30 and counting. We are getting very good at skip counting!!

In Literacy we have been learning about punctuation, paragraphs and writing recount stories. At the moment we are looking at poetry and rhyming words. Rhyming has proved to be an interesting experience in our room! 😊

If parents could please return feedback forms, which were sent home last week that would be greatly appreciated 😊

Thank you!

Miss Belinda McDonald

Year 8

The Year 8 Art students are currently learning about Pop Art and working towards completing their first Art Analysis on famous works by Roy Lichtenstein, Andy Warhol or Claes Oldenburg. Students have learnt how to breakdown an artwork into its most basic components such as: line, tone, texture, colour and shape.

They analyse how the artist has used these components to create a variety of effect in their work. This high level analysis work is extremely beneficial as it reinforces students understanding of the art elements and expands their vocabulary and inspires a variety of new artistic ideas in their own work. Here are several Pop Art explosions created using a primary colour scheme and the now famous Benday Dots!

Frankie O’Toole, Art Department
Wow! What a busy two weeks we have had! The Footy clinic with Steve Reeves was a big hit, as was our third Song Room session, and our regular visit to the Hostel was a fantastic experience for all students, it was great to see the students interacting and sharing their stories with the residents. As was our involvement in the Community Reading Day with the students from St Mary’s.

Thankyou to those families who have paid their camp deposits and returned consent and medical forms, remember forms can be returned at any time prior to the 12th of October, when all money and forms are due. If you have any questions about camp or need another copy of the forms, please contact me at the College. Equipment lists went home with all students on Monday, if you did not receive one or have any questions, please contact me at the College.

Our first award winners for the last two weeks were, Jay-Leigh Meguyer, for being a helpful member of our class at school and during the Community Reading Day and Tom Jones for his positive approach to all learning tasks.

Charlie Marshall received the PBIS award for demonstrating the 3R’s of Rushworth P-12 College during the Community Reading Day and Mac Miller for showing the 3R’s of Rushworth P-12 College.

It has been great to see so many students earning reading awards and celebrating their reading successes, Jay-Leigh Meguyer-200 nights, Dana Rodgers-150 nights, Harry Werner-100 nights and Tiffany Clark-25 nights.

Please remind your child to read every night and record their reading in their reading diary and bring their reader to school every day.

Learning Foci:

In Literacy, we have been learning about using a range of comprehension strategies to assist our reading. Next week we will continue with this focus.

In Numeracy, we have been learning about what makes a number even or odd and identifying if a number is even or odd. Next week we will be revising different topics covered in class this term such as, reading maps and giving directions, identifying and working with decimals and fractions, and telling time to the minute and converting between 12 and 24 hour time.

Our Inquiry focus for the next five weeks is studying different Eco-Systems and what makes up an Eco-System.

Miss Megan Flynn

Award winners for Week 8

PBIS—Jordan Miller

Achievement Award—For always making her best effort—Lillian Gelsi

Ms Carolyn Fraser
Holiday Activities

School holidays at Bendigo Art Gallery! For kids aged 4 - 14

Bookings are now open for the school holidays!

Bendigo Art Gallery's workshops these school holidays draw inspiration from the Gallery's own collection and the season of spring.

Young visitors will have the opportunity to create ship-inspired collages, sculptural branches of birds and blossoms, or model the human figure in 3D. Workshops are for children aged 4 to 7 and 8 to 14 years.

Bookings for all workshops are essential as class sizes are small - 03 5434 6088

SNOW QUEEN’S AUSSIE FREEZING SHOW – VIC Tour 2015

Snow Queen’s Aussie Freezing Show is a highly interactive show with lots of singing, dancing and special characters that will enchant children these school holidays as they help their favourite snow queen recover her lost magic wand so that they can all play in actual FALLING SNOW.

There’s a special pre-show singalong to your favourite songs from Frozen hosted by The Presenters.

Presented by Youngstars2.com, the team behind The Wizard of Oz Show (that has done over 4000 successful shows around the world), this magical new show has been written especially for parents to enjoy with their children. It also features the antics of Bushman Bob, Funny Bunny, Captain Carrot & Solly the Snowman.

 Tickets range from $16-22.

GMDSSV Inter-school Athletics

On Friday 4th September, a group of students headed over to Shepparton to compete in the GMDSSV inter-school Athletics Carnival. All of the students who attended competed in a positive way and represented the College proudly. A big congratulations to Mitchell Coughlan, Matthew Lange-Richards and Abi Clarke who all qualified for the Hume Region Athletics Carnival on Thursday 8th October. We look forward to bringing you more information next Term!

GMDSSV Junior Summer Sports

Coming up in the next few weeks we have three Year 7&8 teams heading off to compete in the Inter-School Cricket, Tennis and Volleyball competitions. Good luck to all teams, we will bring you the results in our upcoming editions.

Amanda Cray
Health & PE Coordinator

Remember to get out and get active in the upcoming holidays, and good luck to any students participating in sporting finals for football, netball.

Don’t forget….
you can keep in touch with the College regularly via the following Social Media sources.

KIDS YOGA AT THE MUD HUT

Twenty first century kids are growing up in a world that is ‘tripping over itself’.

They face the stresses of their busy home lives and an ‘in-your-face’ media.

Children are a ‘work-in-progress’ and yoga is one way to help them ‘de-stress’ and improve their concentration.

At the Mud Hut, Moora, our Kids Yoga teachers Loretta and Jenni are dedicated to improving children’s welfare and are constantly striving to improve their knowledge of yoga and children’s development.

In Term 4, beginning on 7 October there will be nine classes spread over eleven weeks at a cost of $90 with a discount for a second sibling.

If that’s too much of a commitment, children can attend six classes at a cost of $65 or three classes for $35.

Would you like to try yoga but not sure if you’ll like it? You can come along to one class as a cost of $15.

Open to all primary school aged children of all abilities. For more information or to enrol please call Loretta McIntosh on 5856 7220 or 0407 690 765

Little Readers Club

Running on Mondays 3.30pm - 4.30pm, Thursdays 3.30 - 5.00pm.

All student in the community from Prep to Grade 6 are welcome. Books will be provided, or you can bring your own. Some snacks provided.

Starting on the 17th August for the next 7 weeks. (excluding holidays).

This is a Community Service Project of La Trobe University, Education student Kaylee Andrews - if you have any queries please direct them to Kaylee on 0407320140

Rushworth P-12 College are proud to be supporting Kaylee with Reading Club.
